REQUEST FOR A PATENT TO BE CORRECTED TO STATE THE NAME OF THE ASSIGNEE UNDER 37 C.F.R. § 3.81(b)

Mail Stop Petitions
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. § 3.81(b) Patentees hereby request that the above-referenced U.S. Letters Patent be corrected to state the name of one of the Assignees, New York University. A request for a Certificate of Correction under 37 C.F.R. § 1.323 along with a Certificate of Correction were submitted on July 26, 2007. A copy of the July 26, 2007 Request is enclosed for your convenience.

In the Assignee section on the front of the issued patent, "New York University Medical Center" should be --New York University-- for the following reason.

A copy of the December 22, 1998 filing listing the Assignee in the parent Application No.: 09/133,119 (now U.S. Patent No.: 6,277,969) as New York University is enclosed. In addition, a copy of the April 7, 1999 Notice of Recordation of Assignment Document and a copy

of Patent Assignment Abstract of Title are enclosed. The Assignment to New York University was recorded on December 28, 1998 at reel/frames: 9662/0984-0988. The Assignment was recorded before payment of the issue fee in the above-referenced patent as set forth in 37 C.F.R. § 3.11.

The issue fee was paid on June 21, 2004. At the time of preparation of the issue fee transmittal, an inadvertent clerical error occurred wherein New York Medical Center was listed as an Assignee. Patentees are filing this request to properly name New York University as the assignee.

Thus, the correct assignees for the above-referenced patent are **New York University, New York, NY and Centocor, Inc., Malvern, PA.**

Patentees request that the file be forwarded to Certificate of Corrections Branch, for issuance of a Certificate of Correction, if the Request is granted.

Patentee agrees to pay the required fee. Enclosed is a check in the amount of \$130.00 for the processing fee required by 37 C.F.R. § 1.17(i). A fee of \$100.00 was previously submitted for consideration of a Request for Certificate of Correction under 37 C.F.R. § 1.323. It is believed that no additional fee is required. The letter of November 6, 2006 from Magdalene Talley of the Decisions & Certificates of Correction Branch states that "if a fee (currently \$100) was previously submitted for consideration of a Request for Certificate of Correction, under C.F.R. § 1.323 to correct assignment data, no additional fee is required." Please charge any deficiency or credit any overpayment to Patentees' Attorney's Deposit Account No. 08-0380. A copy of this letter is enclosed for accounting purposes.

Respectfully submitted,
